A Message from the President

I would like to take this opportunity to thank Mr. Tom Boen and Mr. Danny Hastey for accepting to host the Spring Conference. The task of hosting a conference is a difficult one and the reward is having a large attendance. So, plan on attending. It will be held on a holiday weekend, bring your family and make it a beneficial and enjoyable meeting.

I was fortunate to be selected to attend the Advance Administrative Latent Fingerprint school and if you have the opportunity to attend, I would suggest that you take it. It would be worth your while.

The International Association of Identification Conference will be held July 29 - August 2 at Del Webb's Towne House, Phoenix, Arizona. Let's try and have a large turn out from Florida. Let's push the 1983 International Association of Identification meeting in Florida.

See you in Tallahassee!

Jim
